

# Sponge Bob Game Board

Created by Dina Peters, M.S. CCC-SLP

## Instructions:

1. Print out the game board pages and mount them in a file folder.
2. This is an open-ended board game that can be used for motivational play during drill activities.
3. Have players put their game pieces on start and determine which player will go first.
4. On each player's turn, have him/her roll a die and move that number of spaces.
5. The player that reaches the "finish Star" first is the winner.
